EDUCATION

University of Science and Technology of China

Hefei, China

B.Sc. in Physics, School of Physical Sciences

Sep 2025 - Expected 2029

GPA: 4.01/4.3 | Weighted average: 92.43/100

First-year academic rank: 2/199 in the School of Physical Sciences (2025-2026).

Yan Jici Talent Program in Physics, selected through academic screening and interview (2026).

HONORS AND AWARDS

National Scholarship for Undergraduates, China

2026

RESEARCH INTERESTS

Experimental condensed matter physics; angle-resolved photoemission spectroscopy (ARPES).

RESEARCH TRAINING

Undergraduate Research Training

Sep 2026 - Present

Research Group of Prof. Juan Jiang, USTC

- Read introductory literature on ARPES and attend research group meetings.
- Learn about experimental work in the laboratory under the guidance of senior group members.

SELECTED COURSEWORK

Electrodynamics (100/100); Mathematical Analysis II (97/100); Linear Algebra I (96/100); Thermal Physics (95/100); Electromagnetism (90/100).

Completed Electrodynamics in the first year, one year ahead of the standard curriculum.

LANGUAGES

English: IELTS Academic 7.5 overall

Aug 2025

Listening 8.0; Reading 8.0; Writing 6.5; Speaking 6.5.
